

Article V

Subsequent Debt Reduction

1. If Cameroon maintains satisfactory financial relations with the Participating Creditor Countries, fully implements all external debt agreements signed with them, and continues to have an appropriate arrangement with the International Monetary Fund, the Participating Creditor Countries which signed the Minute agree in principle to consider holding a meeting by then to address the matter of Cameroon's stock of debt.
  2. The United States agrees that, should the Paris Club hold a meeting to address the matter of Cameroon's stock of debt on or before August 31, 2002 and should the Participating Creditor Countries agree in principle at the meeting to a reduction of 50 percent of Cameroon's debt, the United States will cancel 50 percent of Cameroon's principal outstanding under the Contracts as modified by this Agreement and any additional agreement or agreements based upon a Minute or other understanding reached between Cameroon and the Participating Creditor Countries prior to the meeting.
- 

3. If, during the time subsequent to the conclusion of the Consolidation Period but prior to the meeting referred to in Article V Paragraph 1, the Paris Club determines that conditions in Cameroon warrant additional interim debt relief and should this interim debt relief include cancellation of up to 50 percent of the principal and interest falling due during a discrete period of time (a period of time of between one and four years), the United States agrees that it will cancel 50 percent of Cameroon's principal and interest falling due during the set period of time.

ANNEX F

Repayment Provisions on Amounts Due  
to the Department of Defense

All payments of principal and interest are payable in immediately available funds, free and clear of, and without deduction for, any taxes, levies, imposts, deductions, and withholdings whatsoever now or hereafter imposed, levied, collected, or assessed with respect thereto by any central or local authority of the Borrower and shall be paid free from all restrictions of any central or local authority of the Borrower.

The terms of this Agreement require payment in immediately available funds. To meet this requirement, request the payment be wire transferred to the Defense Security Assistance Agency through the Federal Reserve Bank of New York. The wire transfer must include the following payment instructions:

021030004

Payment Amount (in U.S. dollars)

TREASURY NYC/(97000002)DSAA/COMPT/FMD PENTAGON

(Begin third party text - may use up to 230 characters with this optimum format; this text should include the precise loan installment(s) to which the remitted amount should be credited.)

Interest shall be computed on the basis of the actual number of days using a 365-day factor. Repayments which are due on a Saturday, Sunday, or public holiday, shall be made on the next succeeding business day in accordance with the laws of the United States. This extension of time, if applicable, shall be included in computing the interest on such repayments, but excluded from the next interest period, if any. Failure of the borrower to make full repayment when due of any installment(s) of principal and/or interest shall result in an aggregate amount payable of the overdue installment(s), plus additional interest thereon at the rate specified from the due date to the date of repayment. If an installment payment made by the Borrower is insufficient to satisfy the aggregate amount of principal and interest then due, such repayment shall be applied first to satisfy the interest due with the remainder, if any, applied to satisfy the principal amount of the installment.

In order to determine accurately the actual cost of funds applicable to debt due DSAA and hereby rescheduled, the interest rate shall be assigned at the time DSAA provides the notification implementing this Agreement pursuant to Article I, Paragraph 1. The interest rate stated in Article III, Paragraph 1(b) of this Agreement represents a best estimate only and may fluctuate prior to the assignment of the interest rate as noted above.

The Borrower shall have the right to prepay at any time and from time-to-time without penalty or premium, all or any part of the principal due under this Agreement. Each prepayment shall be accomplished by the payment of interest on the amount prepaid to the date of prepayment. Each such prepayment shall be applied to the principal installments in the inverse order of their maturity.

The Borrower represents and warrants that it has taken all action necessary and appropriate under its constitution and laws to authorize it to incur the indebtedness herein contemplated and to execute this agreement. The Borrower further represents and warrants that this agreement has been validly signed and entered into by the Borrower and is binding upon it in accordance with its terms and when delivered pursuant hereto, will constitute the valid and binding obligation of the Borrower for the payment and performance of which the full faith and credit of the Borrower is pledged.

If the Borrower shall fail to pay any amount due to the Department of Defense, or if any representation or warranty of the Borrower herein proves to be untrue in any material respect, the Department of Defense, by written notice to the Borrower, and giving the Borrower ten (10) business days to respond, may make immediately due and payable the entire principal indebtedness then outstanding and accrued interest thereon to date of payment.

All sums payable hereunder shall be payable without deduction for any present or future taxes, duties, fees or other charges levied or imposed by the Borrower or any political or taxing subdivision thereof.

No failure or delay on the part of the Department of Defense to exercise any right, power or privilege under this Agreement shall operate as a waiver thereof.

All statements, reports, certificates, opinions and other documents or information furnished the Department of Defense under this Agreement shall be supplied by the Borrower without cost to the Department of Defense. The Borrower shall reimburse the Department of Defense, on demand, for all reasonable and documented out-of-pocket expenses (including legal fees) incurred by the Department of Defense in connection with the enforcement of this Agreement.

To the extent that the Borrower has or hereafter may acquire immunity from suit, judgment, and/or execution, the Borrower agrees that it shall not assert or claim any such right of immunity with respect to any action to enforce its obligations under this Agreement, except as provided for in the borrower's judicial codes with respect to execution through the courts of the borrower.

Upon signature of this Agreement, the Department of Defense shall consider arrears as having been rescheduled for the purposes of resuming the provision of assistance to the Borrower. The Department of Defense will notify the Borrower of the amounts rescheduled, provide a repayment schedule of those amounts, and provide the actual interest rate assigned to this Agreement.

The Department of Defense portion of this Agreement shall be governed by, and construed in accordance with the laws of the District of Columbia, United States of America.

If the terms of this Agreement provide for the consolidation period to be extended beyond the initial consolidation period, and provided conditions contained therein are met, the Department of Defense will manage each extended consolidation period as a separate loan and identify it with a separate loan number and interest rate.

All communications between the Borrower and the Department of Defense shall be in writing, in the English language at the following address:

3. Application of Payments. All payments made by the Government to Eximbank under this Agreement shall be applied chronologically (commencing with the oldest) to amounts then due and payable under this Agreement in the following order of priority: (i) to Interest to the extent that any Additional Interest (as hereinafter set forth) due as of the date of payment on such Interest can be satisfied on the amount applied to such Interest, and if applicable, ratably to those installments due on the same date, and (ii) to the principal to the extent that any Additional Interest due as of the date of payment on such principal can be satisfied on the amount applied to such principal, and if applicable, ratably to those installments due on the same date.

4. Prepayments. The Government shall have the right to prepay on any Interest Payment Date all or part of the principal then outstanding under this Agreement; provided that the Government shall have paid all amounts due and payable under this Agreement as of the date of such prepayment, together with Interest which has accrued to the date of prepayment on the amount prepaid. Any such prepayment shall be applied by Eximbank to the outstanding installments of principal in the inverse order of their scheduled maturity, and if applicable, ratably to those installments maturing on the same date.

C. Exporter Retentions. The term "Exporter Retention(s)" means with respect to the Contracts stipulated in this Agreement, (i) that portion of commercial credits from commercial lenders or U.S. exporters which was not guaranteed or insured by Eximbank and is owed to such commercial lenders or U.S. exporters or (ii) loans from commercial lenders or U.S. exporters which were incurred in participation with loans from Eximbank. In the event that the commercial lender or U.S. exporter agrees to consolidate and reschedule its Exporter Retention(s) in accordance with the terms of this Agreement, such Exporter Retention(s) shall be included in the subject rescheduling.

D. Computation of Interest. Interest shall be computed on the basis of the actual number of days elapsed, using a 365-day year.

E. Additional Interest. If any amount of the principal or Interest owing to Eximbank under this Agreement is not paid in full on the due dates set forth in this Agreement, the Government shall pay to Eximbank on demand Additional Interest on the unpaid amount, accruing from the respective due date until paid in full, computed on the same basis as Interest, at the rate stipulated in this Agreement.

The Government acknowledges that the activities contemplated by this Agreement are commercial in nature rather than governmental or public and agrees that, to the extent that it has or hereafter may acquire immunity from suit, judgment and/or execution, it will not assert or claim any such right of immunity with respect to any action by Eximbank to enforce its obligations under this Agreement.

G. Events of Default.
